Rod.

Code 40537 – Back 1,80 m. Rod.

Code 40538 – Simple pilaster.

Code 40539 – Triple pilaster.

Pigs Feeders

Feeder for piglets Mod. Starter

Feeder for piglets Mod. 81

Fattening Feeder Mod. 78

Introductory Feeder for fodder, for piglets. Model with legs and adjustable fodder fall.

Code 40400 – Starter Feeder, 2 hollows. Capacity: 10Kg.

Measures: Front 30; depth 21; height 53

Code 40401 – Starter Feeder, 3 hollows. Capacity: 15Kg.

Measures: Front 44; depth 21; height 53

Code 40402 – Starter Feeder, 4 hollows. Capacity: 20Kg.

Measures: Front 57; depth 21; height 53

Code 40474 – Feeder fodder for piglets with 3 round hollows. Made of galvanized plate. Adjustable fodder fall. It is supplied with legs. Advisable up to 40/50 Kg.

Capacity: 40 Kg.

Measures: Front 60; depth 30; height 68

Feeder for fodder for fattening. Made of galvanized plate. It is supplied with legs. Adjustable fodder fall.

Code 40417 – 2-hollow Feeder. Capacity: 50Kg. **Measures:** Front 48; depth 43; height 85

Code 40419 – 4-hollow Feeder. Capacity: 100 Kg. **Measures:** Front 96; depth 43; height 85

Piglets' park Feeder

5-hollow mixed Feeder

6-hollow mixed Feeder

Code 40448 – 6-hollow Feeder for fodder for piglets. Advisable up to 40/50 Kg. Made of galvanized plate. Adaptable to the park for the early weaning of the piglets. Adjustable fodder fall.

Measures: Front 110; depth 27; height 63
Capacity: 60 Kg.

Code 40560 – 5-hollow Feeder for the piglets' fodder. Made of galvanized plate, tube, and bottom made of stainless steel. Adjustable fodder fall. Advisable up to 40/50 Kg.

Measures: Front 90; depth 30; height 65
Capacity: 50 Kg.

Code 40449 – 6-hollow Feeder for fodder for piglets. Advisable up to 40/50 Kg. Made of galvanized plate and tube and bottom made of stainless steel. Adjustable fodder fall.

Measures: Front 110; depth 27; height 63
Capacity: 60 Kg.

Pigs Drinkers

10 L Drinker for 1st age

62

20 Units.

Code 40415 – Drinker for 1st age piglets. Made of plastic material. Capacity: 10 liters.

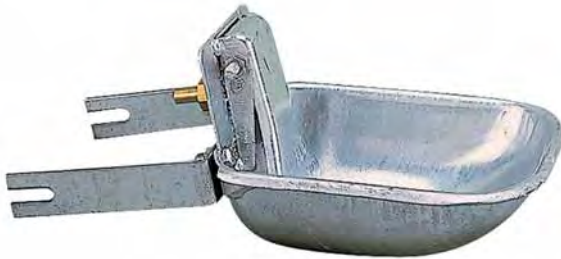

Measures: Ext. Diameter: 26.

Wall Drinker for piglets

Code 40550 –Made of stainless steel and brass valve.

Push-rod Drinker

Code 40420 – Automatic Drinker for pigs. Operates when pulling the lever. Galvanized through immersion into hot.

Constant-level Drinker

2 Units.

Code 40421 – Automatic Drinker for pigs. Adjustable level by using the float valve. Cup made of die-cast aluminum. With fixation elements. Perfect for piglets.
